

ZEISS Quality Seals

You can find the Carl Zeiss warranty seal on the packaging of each lens. The quality seal is an identifier to which warranty area your product belongs. The country where you have purchased the lens decides which quality seal is valid. Below you can find a summary of all available quality seals and warranty regions.

					
<p>Europe, Middle East, Africa</p>	<p>Americas</p>	<p>Asia (with exception of the countries that belong to the other mentioned regions)</p>	<p>Japan</p>	<p>Association of Southeast Asian Nations, Australia, New Zealand</p>	<p>India, Bangladesh, Sri Lanka, Pakistan, Nepal</p>
